REMOTE LEARNING ON SNOW DAYS

In order to provide continuous learning/support on snow days or any other day requiring the school to be closed, **students are required to fulfill academic and attendance requirements for each class.**

Instructional materials are now posted in each teacher's Google Classroom, OR copies have been given to student directly (depending on the class). Students are required to check email, and/or Google Classrooms for messages from their teachers with directions and instructional materials in the event of ANY CANCELLATION. *Ensure that your students can access all their classes from their phones ahead of time and speak to their teacher if they cannot.*

Students who are unable to meet these requirements will be required to make up the time (Bonus Fridays are coming up in Q4)
