

AP CHALLENGE

Estancia High School is offering the following free Advanced Placement courses (through Edgenuity) for high school honors credit:

- *Calculus AB
- *Computer Science Principles
- *Environmental Science
- *French Language & Culture
- *Human Geography
- *Statistics

AP Class Description: “The Advanced Placement® Program (AP) offers students the opportunity to take college-level courses and exams in high school and earn college credit, advanced placement, or both at many colleges and universities in the U.S. and around the world.” These Advanced Placement courses are designed to prepare students for the rigorous exams that coincide with the course. Exams are separate from the courses. Students are responsible for exam fees.
